

# DAVE AND SUE REESE MARCH 2021

EOTEM 2021 church building projects in the remote areas of Mindanao continues. Reports on projects will be in the April newsletter.

We held a Bible Conference at Faith Baptist Church Surallah Mindanao on April 1-3, 2021.

From Open Bible College in Marbel with teacher Edwin Dading, we have 12 students: from OBCM in Gensan with teacher Elmer

Polo, we have 16 students, from OBCM Lake Sebu with teacher Raul Castro we have 24 students, from Surallah we have 8 students at FBC for a total of 50 Bible school students.

Covid restrictions have limited some large Philippine town and city travels but God's word is not bound! All of our students are 4-year students and we have found a way to continue Bible studies in spite of obstacles. You will notice there are no masks and no social distancing. In PI cities, small towns, and the jungle villages there have always been unavoidable and greater health risks than some virus. Danger from Covid infection is far down the list from cholera, malaria, tuberculosis, dengue fever, and yellow fever. Jungle villages are more concerned with good drinking water than with "social distancing". The students from the T'boli village of Sebu are in native attire.

## MARCH 2021

Dear Praying Friends:

We include several pictures from our recent Bible Conference. The theme centered around missions. Our Bible verse was Acts 13:47.

"For so hath the Lord commanded us, *saying*, I have set thee to be a light of the Gentiles, that thou shouldest be for salvation unto the ends of the earth."

Grace, Pani, and Lornaly, the Ladies trio, sang a special.

Pastor Jim David challenged us for missions.

Below are the staff and teachers of Open Bible College Mindanao (OBCM)

At the right are Bible school students from our newest church work with Edwin Dading (second from right, 1<sup>st</sup> row) the pastor and teacher from Marbel area of Mindanao.

God bless you for praying, caring, and supporting!
