

DAVE AND SUE REESE

September 2022

Dear Faithful Supporters:

This is what EOTEM does in the remote jungle villages of Mindanao Philippines. Before a church building is ever planned, (1) one of our Bible school graduates has been trained for 4 years in the KJB, traveled to the village, taught the word of God in the nipa huts, led people to the Lord, and (2) assembled a group of sincere Christians who want a church building in which to meet. This is our latest project in Lake Cebu, Ned, Mindanao.

The church building is basic: no AC, no electric service, no glass windows. (3) Our Bible school students then work (as part of their Bible school training for the same kind of future ministry) on helping the villagers build the building. Most villages do not have electricity or roads so the construction is a difficult and time consuming process. This picture records the beginning in August of this year, 2022.

Without your faithful support, we could not do this work of training, starting, and building. Foreign mission work is truly a partnership. You have just as much a part of eternal rewards as any missionary.

Thank you for being a vital part of our ministry!

In JESUS' NAME,

Dave and Sue Reese

All funds are tax deductible and are used to further the gospel in the Philippines by winning souls, training students, and establishing local churches where there is no gospel witness. Receipts are sent each month. God bless our partners for helping!
