

DAVE AND SUE REESE OCTOBER 2022

Dear Faithful Supporters:

This is our latest church project in the Philippines.

Pastor Jungco is a graduate of Open Bible College (EOTEM in Panay). Natalie is the wife's name and their son, JD.

Location: Village of Caboloan, Oton, Iloilo. They are meeting inside a house as church, but house owner donated the space adjacent to their house for a church building. They already have services with adults as well as children classes. As the building progresses, we will send reports.

We have a resident KJB Bible college in Mindanao, Philippines and we also have several KJB Bible colleges by internet in our local churches. The one below is operated locally by Pastor Elmer Polo, Grace Gospel Baptist Church, General Santos City, Philippines. Brother Polo is in the center, seated.

Without your faithful support, we could not do this work of training, starting, and building. You have just as much a part of eternal rewards as any missionary.

In JESUS' NAME,

Dave and Sue Reese

All funds are tax deductible and are used to further the gospel in the Philippines by winning souls, training students, and establishing local churches where there is no gospel witness. Receipts are sent each month. God bless our partners for helping!
