

DAVE AND SUE REESE MAY 2024

“2 Corinthians 10:16 To preach the gospel in the *regions* beyond you, and not to boast in another man's line of things made ready to our hand.”

SPECIAL PRAYER REQUEST

Ends of the Earth Mission has operated since 1993 as a free service to missionaries. EOTEM is an unusual mission operation---No salaries are paid to home office workers—all workers and officers live by faith. Every cent donated to a missionary, goes to that missionary. Nothing is charged out of donations for

home office operation (financial secretary, utilities, etc.) or equipment (computer, printer, etc). Our home office is located in Beeville Texas. (Picture attached) The facility was renovated in 2004 with roof, A/C, etc. There is no mortgage or rent on the property; EOTEM owns it.

We need to replace roof (20 plus years old, estimate \$12,000) and central heat and air unit (estimate \$5,000). There is an office contingency fund available for \$2,000, but that means \$15,000 is needed to cover all necessary repairs. EOTEM is a 501c(3) organization, all gifts are tax deductible.

We have always operated by faith and never took a portion of donors gifts for home office operations, repairs, or equipment—WE WILL CONTINUE TO DO THAT! Please pray with us that this need will be met.

Ends of the Earth Mission began in 1993. 31 years later the results are:

34 KJB missionaries placed in Mainland China.

6 KJB missionaries placed in Mongolia.

3 KJB missionaries placed in Mexico.

3 KJB Bible Schools currently operating in the Philippines.

Over 230 KJB Bible College graduates.

Approximately 215 rural KJB churches and buildings started in the remote Philippines.

God told me to “GO!” He did the rest.

2 Corinthians 5:18 And all things *are* of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliaon;

We are also praying for those who dedicated their life to the Lord for full time service to keep their commitment.

These are the churches that attended our Youth Camp. All were started by Ends of the Earth Mission and are pastored by our KJB Bible college graduates.
