*And I, if I be lifted up from the earth, will draw all men unto me. John 12:32*

January - February 2025

We thank God that He has given us another year to serve Him. We live in a world where there are no guarantees. Life is but a vapor. God's word even warns man that today is the day of salvation. It is a warning not to procrastinate! According to I Tim 2:4, God's will is that all men be saved. Our days are few and we that are saved must keep working while we can. Jesus said, "the night cometh when no man can work." - John 9:4

The ESL classes resumed, and attendance is down. We recently had 2 new folks from Chiapas, Mexico. They were witnessed to and received a Spanish Bible, and they then asked for a Bible in English. These folks want to learn English! We are trying to get the gospel to all folks we meet whether legal or illegal. ...**he that winneth souls is wise. Proverbs 11:30.** They all have a soul, and most have been deceived by a religious system. God's salvation is in the finished work of His Son. Anyone who trusts Christ can be saved - Romans 10:17. Please keep praying that we'll be successful as we continue to reach out to those in religious bondage.

I am going to Selma every other week preaching to the juveniles that are incarcerated. Many of these children have problems we cannot even understand. Last week we had two young men saved.

Prayer request: We had a 2007 Honda Civic that I used as a ministry vehicle. I was involved in an accident with an unlicensed, uninsured driver and my car was totaled. If anyone knows of an older vehicle in decent shape, manual or automatic transmission, gets good mileage, and is for sale, please let me know.

Thank you,

Roger and Karen
