

DAVE AND SUE REESE FEBRUARY 2025

Dear Faithful Supporters:

We have finished the Noe Memorial King James Bible Church building located in Hanoo Mindanao, Philippines.

Dr. Herb Noe (Galilean Baptist Church pastor) was a faithful supporter of Ends of the Earth Mission. This church in Mindanao Philippines was started and the building built in honor of him. The pastor holds a picture of Dr. Noe that will be placed on the auditorium wall. Galilean is pastored by Dr. Noe's son, Dan, The church continues to be a faithful mission supporter.

ROGER BAYONA REPORT FEBRUARY 2025

I preached the dedication service of Noe Memorial Church February 16, 2025. What a blessing this building will be for the jungle village of Hanoo.

All materials were transported to the mountain village via horse and motorcycles.

We used the local trees for some of the building. All of this was possible due to faithful donations from USA supporters.

We held a fellowship meal after the morning service. I was able to bring a baboy (roast pig) for the members' meal.

THANK YOU FOR
PRAYERS,
Roger Bayona
