Carl & Leta Miller, Your Missionaries in Scotland

“For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake.” 2 Corinthians 4:5

Dear Pastors, Supporters and Praying Friends,

Greetings and blessings to you from Scotland. I'm sorry this news and prayer letter is late getting to you. May, June and July seems like a blink in time. I pray your all well. Thank you so much for your support and prayers. You may have heard or seen in the news recently that President Trump visited Scotland for five days. He arrived by Air force One in the south of Scotland. He stayed there a few days before flying north to Aberdeen which is our area. As Scotland is an extreme, progressive socialist country, his visit was not overly welcomed by many. During his visits I always have people come to me, usually during our open-air ministry, asking, “what do you think of Trump?” I usually say, “I don't and we are preaching the gospel of Jesus Christ. Can I give you a gospel tract?” It's a blessing as I get to offer a tract to people who normally would not speak with me. Amen?

The Work of the Ministry

The Lord continues to bless our open-air evangelism. We pass out tracts, speak and witness with those who stop and ask questions. I usually preach every week. We set up our Scripture signs on the main square of the town. The town hall is situated on this square. The main bus stops are

out front of the town hall. Buses from Inverness to Aberdeen pick up passengers. Buses from Aberdeen to Inverness do likewise. These buses run both ways every hour. There are also local buses that run every 30 minutes. **You may ask, “How do people respond to the open-air ministry?”** Just like everywhere else in the world. Some good and some not so good. Last Saturday I was preaching and a lady said to Brother Alex, “Oh no. Not that guy again!” I had a few drive-by's say a few words. One lady came up to me screaming, “What kind of God is God to allow war in Ukraine and Gaza?” Moments later I had a group of 7 boys aged 12-13 years old stop and take a Chick Tract. This Was Your Life. They were very interested about how to go to heaven. I spoke with them about ten minutes as people passed by. Eventually they had to leave but promised me they would read the Chick Tract and agreed to a selfie. We have preached and passed out tracts in Inverurie since 1991.

Witnessing to young lads

Thankfully the manager and staff members told him that they would have to go to the out of the way room.

- Answered Prayers -

As I wrote asking for prayer in our last News & Prayer Letter that we have not had any visitors since the beginning of 2025. Your prayers have been answered. We've had 7 visitors since that prayer request. Amen? We had a couple visit while on vacation. We also had a family of five visit. They have been attending for a month now. They are saved and love the Lord. Amen? Thank you for your prayers. We need your prayer so much.

- 75 and 40 -

I turned 75 on the 31st of May. I want to thank everyone for your Birthday Wishes. The Lord has blessed me in so many ways. In July we began our 40th year of ministry in Scotland. To those of you who have supported us by prayers and finances. Great is your reward in heaven. God has done wondrous things in Scotland. To God be the glory! And it's not over yet.

Thank You for your Support & Prayers.

- Care Home Ministry -

The Care Home ministry has been so blessed. I guess that's why the devil raised his head in our last service. A family member visiting his mother tried to get us moved to a small out of the way room for our service.

Prayer Request

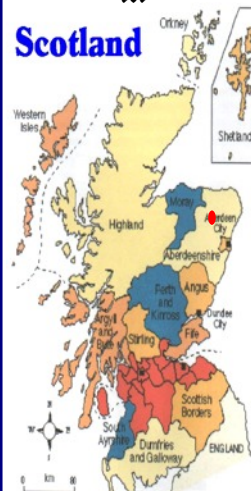

Leta, health
Myself, recent scan show I have two kidney stones, and a gall stone.
