Carl & Leta Miller, Your Missionaries in Scotland

"For who will hearken unto you in this matter? but as his part is that goeth down to the battle, so shall his part be that tarrieth by the stuff: they shall part alike." 1 Samuel 30:24

Dear Pastors, Supporters and Praying Friends,

Greetings from Scotland. What a blessing it is to know that the rewards of God are not just for those on the front line of battle. Those who tarry by the stuff (you who pray and support the missionary) will receive a part just as the soldiers on the front line.

The work of the ministry is a battle wherever you are, especially in Scotland. We fight against the world, the flesh and the devil. Scotland at one time was well known for its preachers missionaries and evangelists. Scotland was called a Christian nation. That is no longer the case. After two generations, Scotland has become a progressive, socialist and secular state. I've spoken to 19 to 20 year olds who have never heard of the Ten Commandments. We and the people of Scotland need your prayers.

- The Work of the Ministry -

I rejoice to write that the Lord has blessed us in many ways. The month of August was a month of preaching the Word of God and witnessing both here in Scotland as well as abroad. The weather's been such that we've been able to hold our open air ministry consistently. Hundreds of Chick tracts as well as gospel tracts have been given out in Inverurie town centre. Having a major hub for buses we have visitors from all parts of the UK. Would you pray for a young woman named Emily. I witnessed to her for some time on the street. She's having family problems. She is

not saved. I gave her a Chick tract, "This Was Your Life" and told her we would pray for her.

- Preaching in Oslo, Norway -

I had the joy and privilege to join Brother Nico Verhoef and about 20 young men from all over Europe to preach and pass out tracts in downtown Oslo, Norway. We had devotions every morning at 9 am in a park outside our apartment. We then went to public areas where we preached and passed out Chick

gospel tracts. I believe we gave out over 6 thousand Chick tracts in five days. There were 118 people who prayed to accept Jesus Christ as their Saviour. It

was amazing! I preached several times every day. By the time I

left Oslo my voice was almost gone. We had dozens of people ask where our church was as they wanted a Bible believing church to attend. Sadly, there is not one. What a great need for a Bible believing Baptist Church in the city of Oslo, Norway.

- Care Home Ministry -

For over 30 years we have been singing and preaching in our local care home on the first Saturday of each month. However, when God blesses the devil hinders. (1 Thessalonians 2:18) On September 4th we were told that a SINGLE complaint had been filed and that we would have to meet in a very small room which can barely accommodate us much less residence. Please pray for me as I'll be having a meeting with the management to discuss this.

- Answered Prayers -

I want to thank everyone for your prayers concerning visitors. We've had 9 visitors in recent days and weeks. A family of 5 continues to worship with us. We hope and pray a family of 4 will return and feel led to join us.

Thank You for your Support & Prayer
