**"As the cold of snow in the time of harvest, so is a faithful messenger to them that send him:  
for he refresheth the soul of his masters." Proverbs 25:13**

### Dear Pastors, Supporters and Praying Friends,

Greetings once again from Leta and myself in Scotland. As I write this **News & Prayer Letter** winter (snow) has arrived here in the north east of Scotland. The Lord has blessed us greatly these past two months. Thank you so much for your prayers and financial support.

#### - Answered Prayers -

Your prayers have been effectual. *"... the effectual fervent prayer of a righteous man availeth much. James 5:16.* Since our last letter we've had several visitors. Some are previous visitors who pop in from time to time. Some are visiting the area and just passing through. One returning visitor, Peter, who is saved and from the west coast of Scotland, visits us when he visits his dad in a village several miles away. He was a blessing this visit as he thanked me for opening his eyes to the King James Bible being the Word of God. In our weekly church bulletin I write an article on **"Why We Don't Use The N.I.V. Translation"**. Each week I show the errors in the N.I.V. (Omissions that attack question the deity of Christ, the blood atonement as well as contradiction.) I've done this for years. Peter told me on his last visit he had taken a church bulletin home and read the article I had written. He told me he was using an N.I.V. at the time but came to realise after reading my article and doing further research, that the N.I.V. was a corrupt translation. He told me he has switched to the King James Bible and he is very thankful for my telling and showing the errors in modern translations. Another

visitor we had is Callum and his two children. I'll explain more about them in the next section.

#### - Open-air Ministry -

The Lord has blessed our open-air evangelism in recent weeks. We've had some very positive comments while passing out tracts and even preaching! We've had several people come to us saying they appreciate what we are doing and encouraged us to Keep it up! I met a man one Saturday while preaching on the street in Inverurie named Callum. Callum came to me just after I finished preaching asking if we were evangelical and where our church was. "We are a Free, Bible believing, evangelistic Baptist Church", I replied. "Where is it and what time is the service?" Callum asked. I said, "it's the church with the yellow banner on the front of it." I have to admit my surprise to see Callum and his two children walk into church Sunday morning, and EARLY! Pray for Callum and me as I'll be visiting him soon.

#### - Care Home Ministry -

We praise the Lord for answered prayer concerning our Care Home ministry. After speaking with the new management team at the home our services have been reinstated. Thanks for your prayers.

#### - Montana Visit -

Leta and I were able to travel to Montana in October. We planned this trip back in 2019 but COVID struck. The UK government banned travel and we had to cancel the trip. Thankfully, I was able to recover our flight tickets and most hotel expenses. Then Leta contracted COVID and spent 11 months in the hospital.

It's been 30 years since being with these long supporting churches. They have been very faithful to pray and financially support us in Scotland 40 years. Every church and pastor treated us exceptionally well. The spirit and fellowship was so good in every meeting. Flathead Valley Baptist Church (Pastor Josh Miller), Open Door Baptist Church, (Pastor Joshua Bryant), Sunrise Baptist Church (Pastor David Haveman), Friendship Baptist Church (Pastor Nick Korthals), Dillon Bible Baptist Church, (Pastor John Cornia), Graceway Baptist Church (Pastor Charles Crowder), Liberty Baptist Church (Pastor Russ McCurdy), Temple Baptist Church (Pastor Todd Sasek).

#### - Citizenship Application -

We were so blessed by Flathead Valley Baptist Church (Pastor Josh Miller) for pledging to supply funds for our application for UK Citizenship. They asked if there was any particular special need we had. I mentioned our recent decision to seek UK Citizenship due to upcoming changes in the law concerning "given leave to remain." Please pray we can apply without taking the UK citizenship written test.

**Thank You for your Support and Prayers**
